BROKER SUPPORT

Timely and accurate broker support is one of the most important services that PalmerHouse provides its agents. We understand that questions don’t always come up during normal business hours, so we have implemented the following program to meet your after-hour and weekend needs.

NORMAL HOURS

If you need broker support during normal business hours, **Monday through Friday from 9am to 6pm**, please call **678.949.9105** or email brokersupport@phatlanta.com

AFTER-HOURS

If you do not receive a return call within 30 minutes or if the issue is time sensitive, please feel free to call each Broker Support Specialist until your call is handled.
